COMMUNITY

OUR MISSION

The Hood Canal Music and Arts Festival strives to be an innovative and positive community event, bringing the immense musical talent of the area to the people! Each year we support programs in Mason County which focus on youth environmental, music and arts education.

HOODSTOCK 2025

We are excited to announce the 2025 Hood Canal Music and Arts Festival is taking place August 15-16 in Union, WA. As always, year's festival promises to be bigger and better than ever, featuring a diverse line up of musical performances on land and sea! There will be several festival performance stages throughout Union during the weekend. The main stage will be on Hood Canal as featured in years past, as well as a second stage and vendor festival at the historic Robin Hood Village Resort.

SPONSOR

MUSIC + ARTS IN OUR COMMUNITY

The Hood Canal Music and Arts Festival is an event with a purpose. Our goal is to raise funds for environmental and arts education programs for the youth in our community. By becoming a sponsor, you will help cover the costs associated with producing a festival of this size. This includes making sure our performing artists are paid and our infrastructure costs are covered, thus, maximizing what we can donate back to local nonprofits and schools. **With your help we can make a truly positive impact on the future of our environment and the next generation of local artists.**

We created the festival's parent company FacePlant Events, L.L.C. in 2018 so that we could bring the community together through events and give back. Over the last 7 years we have been able to donate over \$50,000 to local non-profits and education programs. We give even if we don't make a profit. We ask that local small businesses and larger corporations join us to support the cost of putting on the event by tapping into their advertising budgets or with in-kind donations. We project that in the immediate future, Hoodstock will pull thousands of people to our area to participate, which benefits and showcases our entire community. With your help, we can grow Hoodstock into something legendary.

OUR IMPACT

SUPPORTING LOCAL YOUTH & NONPROFITS

With the help of our sponsors, Hoodstock has donated over \$50,000 to local non-profits and education programs over the last 7 years. These nonprofits focus on implementing youth programs and include music groups, environmental nonprofits, and local schools.
